Individual Reports

Site specific reports

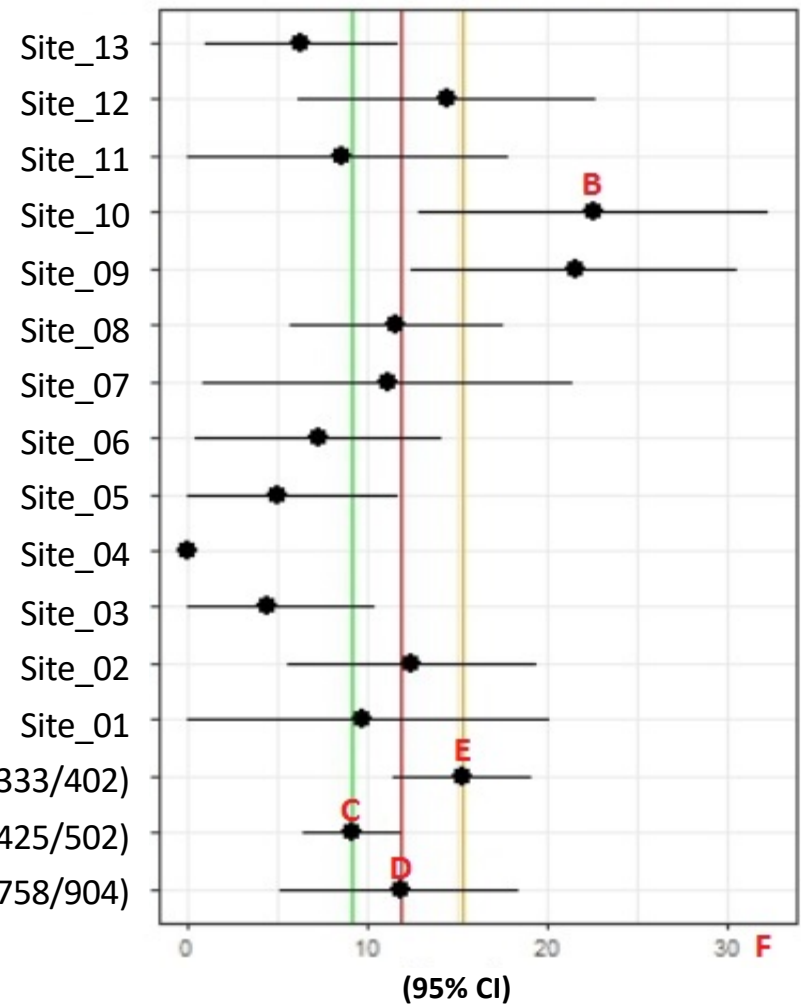

Percent¹ of faculty reporting involvement in teaching and education activities in 2016 by level of education

Type of Teaching & Education	Undergrad Education		Grad Courses (eg MScCH, MPH, MEd, PhD)		Postgrad Education (Residency)		Post-doc Training		Cont Ed & Fac Dev		Patient / Public Ed		N/A	
	Site	DFCM	Site	DFCM	Site	DFCM	Site	DFCM	Site	DFCM	Site	DFCM	Site	DFCM
Curriculum & course development	%	%	%	%	%	%	%	%	%	%	%	%	%	%
Educational leadership and administration														
Faculty development														
Formal teaching (e.g. lectures)														
Informal teaching (e.g. teaching in clinic, mentoring)														

¹Includes only FM faculty appointed through a hospital site under the FM Site Chief. Excludes faculty who belonged to a Division (EM or PC) or Program (Central Office, FMLE, GH, PA Program, RNI, TP, TTR, UE)

Forest plot example of site comparison data (course & curriculum development, undergraduate education)^A

DFCM Fully Affiliated Sites (N=333/402)
DFCM Community Affiliated Sites (N=425/502)
DFCM All Sites Combined (N=758/904)

Number and type of faculty presentations in 2016

Type of Presentation	Number of Faculty ¹	
	Site	DFCM
Peer-reviewed:		
• Oral presentations	#	#
• Poster presentations	#	#
• Workshops	#	#
Non peer-reviewed:		
• Oral presentations	#	#
• Poster presentations	#	#
• Workshops	#	#

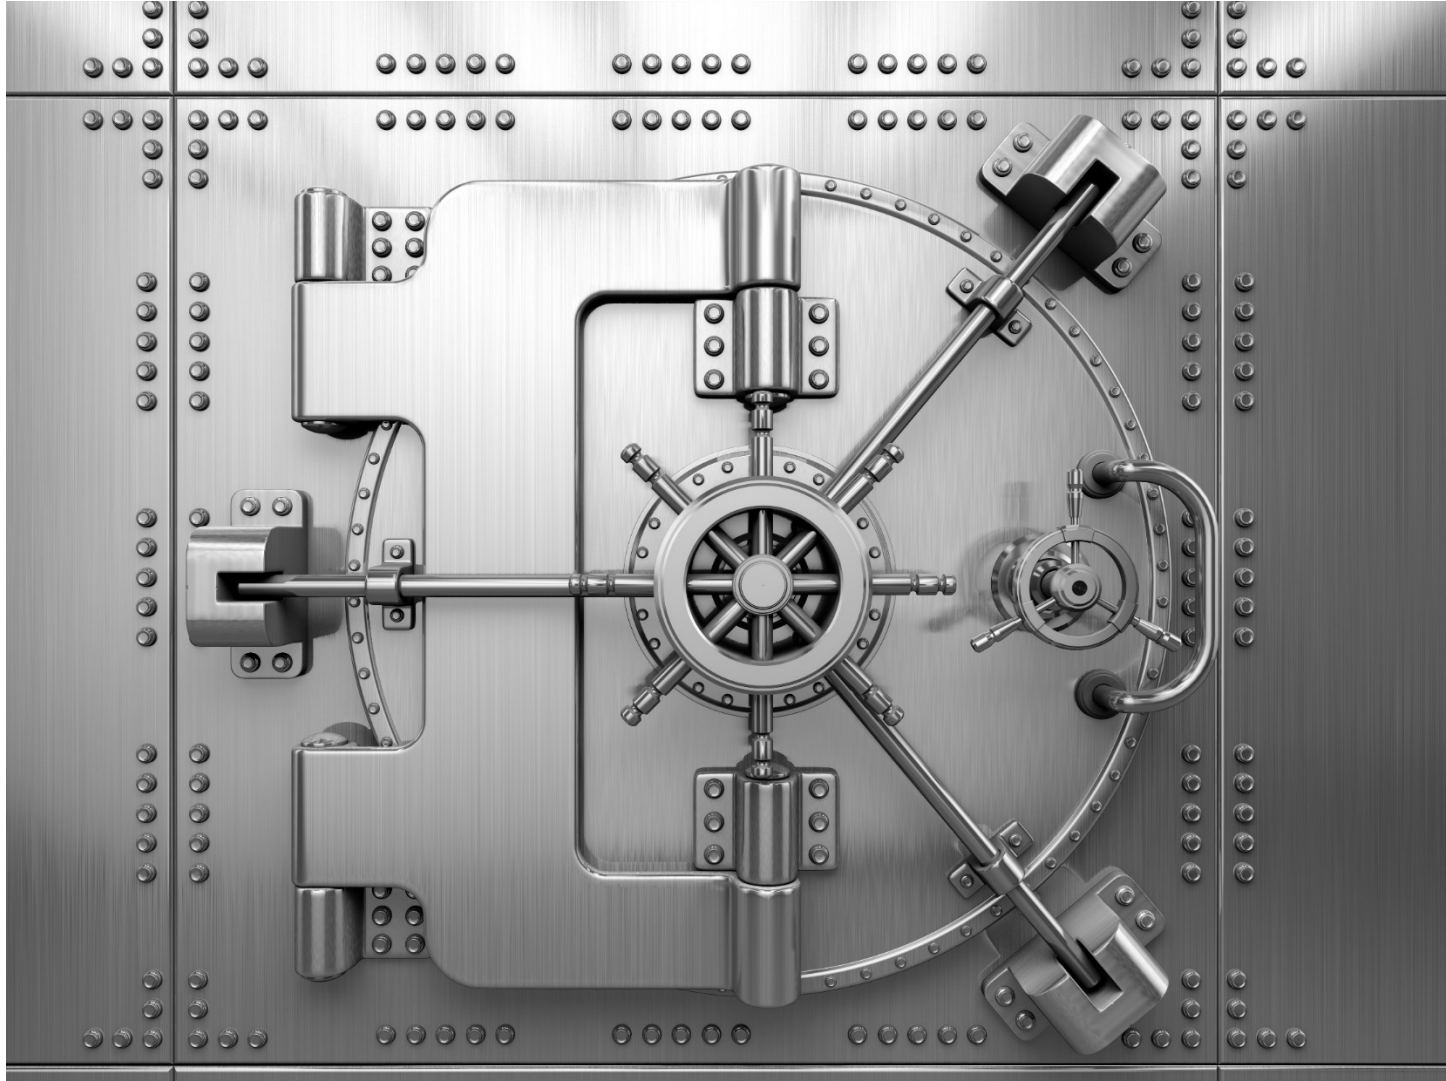

¹Includes only FM faculty appointed through a hospital site under the FM Site Chief. Excludes faculty who belonged to a Division (EM or PC) or Program (Central Office, FMLE, GH, PA Program, RNI, TP, TTR, UE)

Research grants, career awards and publications
 - All DFCM Faculty (including central DFCM)

Research Indicator	Fiscal Years				Calendar Year
	2011-2012	2012-2013	2013-2014	2014-2015	2016
Principal or Co-Principal Investigator Grants
